An appointed organizer at each venue can be identified from his/her Staff shirt. The organizers take care of the games, score sheets, officials and act as a medium between the participating teams and the tournament management. Additionally, they are responsible for upholding order at the venues.

Every team has to have a contact person present who contacts and gives out his/her contact information to the appointed organizer when arriving at the venue. This person is responsible for filling the score sheet with the team roster, matching the jerseys and for the tidiness of the locker rooms.
